

## Detailed information on documents to be submitted

All national Deaf associations wishing to import firearms or guns into Japan must follow the procedures outlined below and submit the required information to the LOC by the specified deadline.

### **Submission Deadline: September 16, 2025, 23:59 (JST)**

- \* All required information must be completely submitted to the LOC by the above deadline. Applications cannot be processed if there are any deficiencies in the submitted information, even if submitted before the deadline.
- \* If there are any deficiencies or if the submission is not made by the deadline, it will not be possible to apply for the necessary permits for firearms and ammunition import into Japan.
- \* If a team fails to provide the information approved by the LOC within the deadline, there is no guarantee that the import/export of firearms or ammunition to/from Japan will be permitted.
- \* Therefore, participating teams must ensure to submit the information well in advance of the deadline.
